

**REMARKS**

Claims 1-37 and 42-74 are canceled herein. Claims 38-41 are pending and allowed.

**Examiner Interview Summary**

On July 31, 2008, Applicant's representative, Tiffany Salmon, discussed the inconsistency between the Office Action Summary and page 3 of the Office Action. Applicant's appreciate the Examiner's confirmation that claims 38-41 are allowed and that the paragraph relating to claim 38 on page 3 of the Office Action is an error.

**35 U.S.C. § 112, First Paragraph, Enablement and Written Description**

Claims 50 and 51 were rejected for allegedly lacking written description and enablement. Although Applicant disagrees with these rejections, Applicant notes that claims 50 and 51 are now canceled, rendering this rejection moot. Applicants request withdrawal of this rejection and allowance of claims 38-41.

It is believed that all issues raised by the Examiner have been addressed. However, the absence of a reply to a specific rejection, issue, or comment does not signify agreement with or concession of that rejection, issue, or comment. In addition, because the arguments made above may not be exhaustive, there may be reasons for patentability of any or all pending claims (or other claims) that have not been expressed. Finally, the amendment of any claim does not necessarily signify concession of unpatentability of the claim prior to its amendment.

It is believed that no fee is due. However, please apply any charges or credits to deposit account 06-1050.

Respectfully submitted,

Date: October 21, 2008
